Operations

CORE CAPABILITIES

Gold Chip Data excels in managing complex IT transitions with precision, focusing on secure data destruction, equipment removal, and sustainable practices. Our solutions are designed to optimize operational efficiency while addressing the unique challenges of evolving data center environments.

Decommissioning and Equipment Removal

Secure and environmentally responsible processes to ensure seamless transitions.

Data Center Services

Expertise in cooling, power, and infrastructure solutions.

Secure Data Destruction

Certified and compliant processes to safeguard sensitive information.

Environmental Responsibility

E-waste recycling programs that prioritize sustainability.

CERTIFICATIONS

Expertise in managing Original Equipment Manufacturer (OEM) services, including asset tracking, logistics, and end-of-life solutions.

Ensuring compliance with the highest standards for sustainable and responsible recycling.

Why Choose

Gold Chip Data

The Solution to IT is Right Here

✓ **Reliability**

Trusted by global organizations for dependable services.

✓ **Experience**

Decades of industry expertise ensure excellence.

✓ **Security**

Adherence to the highest standards for data protection and privacy.

✓ **Sustainability**

Environmentally conscious approaches to equipment disposal.

SERVICES OVERVIEW

End-to-End Decommissioning

From planning to execution, we handle every aspect of the process with precision.

Certified Data Destruction

Methods including shredding, wiping, and degaussing to meet compliance requirements.

Equipment Removal/Logistics

Coordinating transportation and logistics for smooth operations.

E-Waste Recycling

Compliant with global sustainability standards.

INDUSTRY SECTORS SERVED

Gold Chip Data provides **specialized solutions** designed to meet the distinct needs of a **wide array of industry sectors**, ensuring **seamless operations, robust security, and sustainable practices** tailored to their unique challenges and objectives.

Data Centers

Technology Providers

Federal Agencies

Healthcare Organizations

Industrial Facilities

KEY DIFFERENTIATORS

- **Proven Track Record**
Successfully managed complex projects across diverse industries.
- **Innovative Solutions**
Cutting-edge technology to optimize operations and reduce costs.
- **Global Reach**
Cutting-edge technology to optimize operations and reduce costs.
